RE: Kent Parks & Recreation Donation

* M E S S A G E *

Kent Parks & Recreation Department has received a donation of \$1,650 from the Kent Rotary Foundation for a Nutrition Education Program in the 2018 summer camps. One of the ways shown to curb obesity in children is through a change in diet and nutrition. We currently offers three camps for children ages 6 to 12 and one camp for children between the ages of 3-5 over 8 to 10 week summer season.

Nutrition classes will be incorporated into the lesson plans of the camps. The first few weeks will be an introduction into the MyPlate curriculum as well as education on types of foods and food groups. Once the students have a basic grasp on nutrition, they will be taught portion control, how to read labels, the importance of water, as well as the importance of each food group. We also will be providing different healthy snacks each week including apples, oranges, bananas, celery, grapes, carrots and broccoli to expose our campers to these alternatives to junk food.

The check has been forwarded to Budget and Finance and will be held until Council formally accepts the donation. Your attention to this matter is sincerely appreciated.
