

## ISSUE 1: Levy Renewal

Supporting City Services since 1960.

NOT A NEW TAX

### About the Renewal Levy

- ◆ The 1.16 mil Renewal Levy is NOT A NEW TAX.
- ◆ The levy generates \$323,500 annually for the City budget.
- ◆ If approved, the COST of the levy to a homeowner WILL GO DOWN from \$29 per year to \$25.75 per year on a \$100,000 property.
- ◆ The original levy passed in 1960 and has been renewed by the voters every 5 years since.

### What will the levy revenue be used for?

The passage of the levy would allow the City to maintain current programs and services, including Police, Fire, Street Maintenance, Leaf Collection, Brush Collection and Snow Removal that residents have grown to rely on for the last 60 years.

The loss of over \$1 million a year in State funding has made this local levy critical to the continuation of City services.
